

# Laptop / tablet sleeves

Use this sheet to prepare a quote-ready RFQ. Final MOQ, sample timing, bulk timing, packaging, testing, and document scope must be confirmed for the exact product configuration.

|                                     |                                                                                                                                                                             |
|-------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Buyer roles</b>                  | Retail buyer, ecommerce seller, corporate gifting                                                                                                                           |
| <b>Target markets</b>               | US, EU, UK; electronics accessories, corporate gifts                                                                                                                        |
| <b>Core specs</b>                   | device size, thickness, zipper/closure, padding expectation                                                                                                                 |
| <b>Material and construction</b>    | neoprene thickness, soft lining if confirmed, edge finish                                                                                                                   |
| <b>Custom options</b>               | size, color, zipper, pocket, logo, sleeve style                                                                                                                             |
| <b>MOQ</b>                          | MOQ confirmed by size set and trim requirements                                                                                                                             |
| <b>Sample and production timing</b> | Sample timing depends on size confirmation and logo method                                                                                                                  |
| <b>Packaging options</b>            | polybag, insert card, retail carton, FBA labels                                                                                                                             |
| <b>Testing and documents</b>        | Tell us your destination country, intended use and required test standard. Applicability and testing costs are confirmed for the selected material, color and construction. |

## What to send with your RFQ

device model/size; quantity; logo; packaging; destination

## Before placing an order

Confirm the approved sample, dimension tolerances, inspection points, unit packaging, carton quantities, delivery terms and payment schedule in writing. Product photos illustrate construction and finishing; they do not establish certification or permission to reproduce third-party artwork.
